

In response to your letter dated January 9 regarding the Amended November Monthly Report please note that two contributions itemized on Schedule A supporting Line 11(c) were listed twice on October 3, 2007 in the original filing. Duplicate contributions from Bob Goodlatte for Congress and Friends of Jeb Hensarling were removed in the amended filing to reflect the actual contributions received. The Committee also received an in-kind notice after the original filing which was added to the amendment.

You have stated that the Committee received an offset from a vendor (CHUBB) but that the Committee never reported paying that vendor. Chubb Insurance is one of the policy carriers for the Committee. Committee policies are secured and paid through Marsh USA brokerage firm. Following legal actions initiated by governmental regulators, Chubb Insurance issued refunds to all policy holders for "excess casualty restitution" as ordered. The Committee received the refund and reported it as an offset.

Please contact me with any further questions. Thank you.
